● WORK EXPERIENCE

01/04/2025 - CURRENT - VALENCIA, SPAIN
ANDROID DEVELOPER TMC ESPAÑA SL

Focused on building a newer version of a banking app. Working together with colleagues from several companies, designing, planning, developing, and adding features and upgrades to what was already built. I was able to learn how to upload an app to production through the Play Store console and generate bundles to test in different environments.

01/04/2022 - 01/04/2025 - VALENCIA, SPAIN
ANDROID DEVELOPER MERCADONA

Android developer with experience across the entire software development lifecycle, from design and coding to testing. I am also actively involved in training and mentoring new team members, as well as coordinating projects with internal clients to ensure the delivery of high-quality software solutions that meet their needs.

01/05/2021 - 01/04/2022 - VALENCIA, SPAIN
FULL-STACK DEVELOPER RUNE INTELIGENCIA FARMACEUTICA

Software developer creating web applications for the pharmaceutical sector, involved in all stages of software development, from web programming and designing to testing and deployment.

01/01/2019 - 01/01/2020 - VALENCIA, SPAIN
ANDROID DEVELOPER ITACA SABIEN

Designer and developer of an Android application for the Hospital Universitari i Politècnic La Fe de València. Involved in designing, developing and testing the app from start to finish.

● EDUCATION & TRAINING
